

AWES eLearning Hub Newsletter - Issue 3

SPRING INTO SAFETY- NEW BEGINNINGS

Fresh Start. New Skills. Safer Workplaces.

Spring is the perfect time to reset and grow. At AWES, we believe safety and growth go hand in hand, and this month, we're spotlighting one of the most critical areas of workplace safety:

Confined Spaces.

Many workers enter confined spaces every day without fully understanding the risks. Our new preparatory course is here to change that.

SPRING SPECIAL OFFER

Enjoy \$20 off our **Confined Spaces Foundations** course

Use Code: **CSFSPRING20** at checkout.

Offer ends May 31, 2026

FEATURED RESOURCE:

Confined Spaces Foundations course

Getting Confident Before You Get Certified

This self-paced online course builds the foundational knowledge and vocabulary you need before taking a formal confined spaces safety certification.

What You'll Learn:

- ✓ What a confined space is and how to identify one
- ✓ Common confined space hazards
- ✓ Key safety vocabulary for training

Perfect for:

- ✓ Workers preparing for a Confined Spaces certification
- ✓ Newcomers to industries with confined space work
- ✓ Anyone building their workplace safety foundation

Short, simple lessons at your own pace

Practice activities, vocabulary exercises, and quizzes

90 day access - stop and return anytime

Note: This is a preparation course, not a safety certification.
